

Retirement instruction for company pension, buy out bond and PRSA AVC

Application

OPSBRET V31 0524

Filling in this form

Complete this form if the member is taking their retirement benefits now. This will confirm how their pension is paid. Before completing this form, you should talk to your financial adviser about the member's options.

- For a company pension, the trustees need to complete this form, and both the trustees and member need to sign.
- For a buy out bond, the trustees of your old pension scheme don't have to sign this form.
- For a Synergy PRSA AVC, the trustees of your main pension scheme don't have to sign this form, but you'll have to get them to write to us to confirm that you're retiring from the occupational pension scheme to which your AVCs relate, and confirm the benefits you're entitled to and any pension benefits you've taken.

If you're taking your retirement benefits from a Qualifying Recognised Overseas Pension Scheme buy out bond (UK pension transferred to Ireland), please complete a 'Retirement instruction for QROPS buy out bond' form (QROPSRET) for that policy.

If you're taking your retirement benefits from a personal pension or PRSA (with no AVCs relating to an occupational pension scheme), please complete a 'Retirement instruction for personal pension and PRSA' form (PPRET) for that policy.

To help you complete this form, we've included a glossary at the back (highlighted in form with⁺) and a checklist.

All the information we ask for is essential to set up and administer your pension. Any missing information will cause a delay. Some information is critical, and until we get it, will mean that your money remains invested in your current policy, where its value may go down or up. Your investment or disinvestment instructions, as set out in this form, won't be applied until we have all critical information.

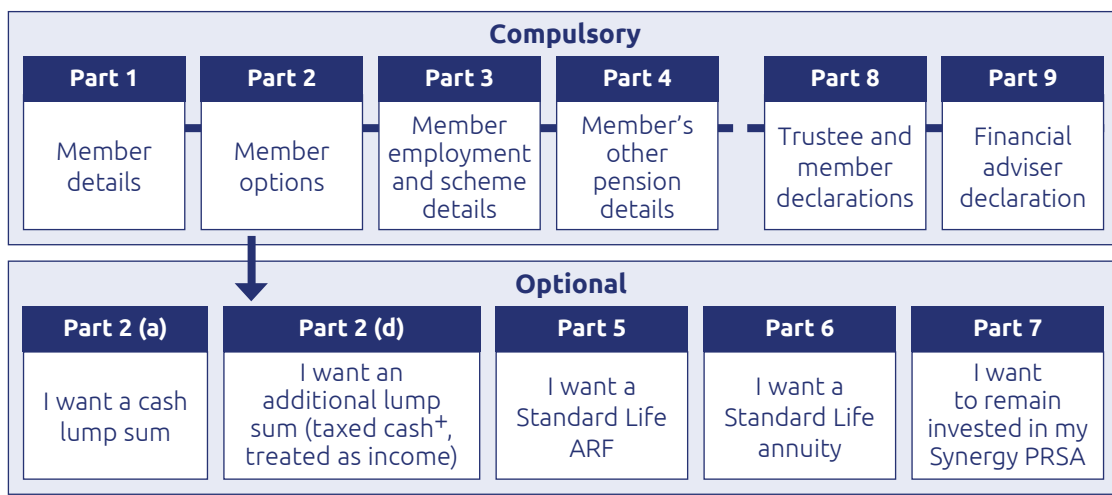

Data Protection Notice – Important, please read

We're committed to maintaining the trust and confidence of our customers. Our Privacy Policy explains how we use our customers' personal information. It explains when and why we collect personal information about our customers, how we use it, the conditions under which we may share it with others and how we keep it secure. It also explains how you can obtain details of the information we hold about you, and the choices you have about how we use that information. You can get a copy of our Privacy Policy on our website: standardlife.ie/privacy

If you're providing information about another person, please inform the individual, and recommend they read our Privacy Policy to understand how we manage and use their data.

What parts of this form do I need to complete?

The good news is that you don't have to complete all of this form – you only have to complete the parts relevant to the choices made. Here's an overview:

+ See glossary.

Part 1 – Member details (Compulsory)

Policy numbers you want to take your benefits from																					
Title																					
First names (in full)																					
Surname																					
Email address																					
Address																	Eircode				
Personal Public Service number	N	N	N	N	N	N	N	L	(L)	Mobile phone number											
Date of birth (DD/MM/YYYY)									Home phone number												

You must take all benefits from the same employment at the same time.

Your name should match that on your photo ID.

We may use your email to help manage your policy. If you don't want us to use it, leave it blank. If you're choosing execution-only stockbroking with Stocktrade, we must have your email.

Your bank details for payments we make

Please provide your bank details below. All payments payable to you will be lodged to this account.

[illegible]

Payments must be lodged to your own or jointly owned personal bank account. Payments cannot be made by cheque.

Your IBAN is shown on your bank statement. (The last 14 characters of your Irish bank account's IBAN are your old 6 digit branch sort code (1st digit = 9) and old 8 digit account number).

If you were born on or after 1 January 1958 and aged between 66 and 70, please enclose proof of your State Pension (Contributory) payment (award letter from Social Welfare Services Office or payment receipt from An Post), to ensure we deduct the correct rate of PRSI.

Make sure your tax credits are correct

When we process our first payment to you, we're required to update Revenue online as your new or additional 'employer' so that tax can be deducted. **You need to ensure that you are registered for PAYE, and that your tax credits are allocated the way you want, especially if you have more than one income.**

Please tick the appropriate box below:

- ☐ **I'm already registered with Revenue for PAYE**
We'll set you up on our payroll and request a Revenue Payroll Notification.
 - ☐ **I'm not yet registered with Revenue for PAYE**
You'll need to contact Revenue to register for PAYE, and then we'll set you up on our payroll and request a Revenue Payroll Notification.

Once you're set up on our payroll, you can then re-allocate tax credits directly with Revenue, and they'll issue a new Tax Credit Certificate to you (and new Revenue Payroll Notification to us).

Register or update your PAYE details with Revenue on revenue.ie/myaccount or (01) 738 3636.

We're required to deduct 'emergency' taxes where we don't have a Revenue Payroll Notification for you. Standard Life's 'employer' numbers are: 3586780HH for vested PRSAs and ARFs, 3587289KH for annuities, and 3587445VH for taxed cash payments.

PAYE registration is required where you're receiving a pension income, even if you've been self-employed up to now, and/or will continue to be.

If you invest in a Standard Life ARF and Standard Life annuity or Standard Life Vested PRSA, separate payments will be made, regardless of payment dates.

Part 2 – Member options (Compulsory)

You can choose to invest your pension fund with any provider when you retire. Talk to your financial adviser.

Tick/complete one or more, as appropriate: (some options may be restricted and/or not available)

+ See glossary.

^{^^} Policy number beginning PA1. If the Default Investment Strategy applies to your policy, it will not apply once you start taking your benefits. Your policy will remain invested in the funds it was invested in prior to retirement until we are instructed otherwise.

- to calculate your benefits accurately and
- deduct the correct amount of tax.

As with all pensions and tax, your answers may be audited by Revenue.

Lump sums taken by Irish residents from any foreign pension arrangements from 1 January 2023 count against their total pension cash lump sum limit (€200,000 tax free and €300,000 taxed @ 20%).

If you have a Personal Fund Threshold, please provide a copy of the Revenue letter confirming it.

If you've more pensions than there's room for here, please copy Part 4 and send in with this form. We'll also accept this information in a supporting document. **The member must sign any additional or supporting documents.**

+ Glossary

Brief description of terms

Annuity – Buying an annuity with part of your pension fund will give you a guaranteed income for the rest of your life. It can also provide an income for your spouse/civil partner.

ARF – An approved retirement fund allows you to leave your pension fund invested and adjust your income to suit your needs. You must withdraw a certain percentage of your ARF each year – withdrawals are treated as income and taxed under the PAYE system.

Certified copy – To get certified copies of your documents, photocopy the originals, bring the originals and copies to a post office, bank, Garda station or qualified accountant/financial adviser. They'll check, stamp and sign each copy to certify it's a true copy of the original. Enclose those certified copies with this form.

Concurrent employment – This is where you worked two jobs at the same time, each with a pension. For example, you may have been working as an employee for one employer, while at the same time being a paid director of another company.

Defined Benefit (DB) – A defined benefit pension (also known as a 'final salary' scheme) is a pension scheme where the benefits are set out in the rules of the scheme. The benefit is often based on the employee's earnings and pensionable service.

Defined Contribution (DC) – A defined contribution pension (also known as 'money purchase') is a pension which depends on how much you (and/or your employer) invests, the charges deducted, how well the investments have done and the way you take your benefits. The value of your pension pot can fall as well as rise.

20% Director – Someone who directly or indirectly, at any time in the last three years before leaving or retiring, owned or controlled more than 20% of the voting rights in the employer company, or in the parent company of the employer company. Shares held between you, your spouse or any minor children count towards this 20% figure.

20% Directors retiring early – If you're retiring before your selected Normal Retirement Date, it's a Revenue requirement that you dispose of all of your shares and cut all ties with the company before you claim your benefits. This applies even if you are retiring after age 60 and/or where your Normal Retirement Date is at a later date.

Final salary – To determine your final salary when calculating your benefits and completing funding checks, we must use the following options:

For employees and Directors with less than 20% shareholding

- your highest basic salary in any of the last 5 years up to the date you left service plus the average of your 3 years fluctuating benefits, or
- the average of 3 or more consecutive salaries from the last 10 years of your service (salary period must end within 10 years of you leaving service)
- the rate of pay from any payslip in your final year and annualise this figure.

Your salary figures may be increased in line with inflation to calculate your final salary.

For 20% Directors

- the average of 3 or more consecutive salaries from the last 10 years of your service (salary period must end within 10 years of you leaving service)

Due to restrictions applying to 20% Directors, we may not be able to index salaries with inflation to calculate your final salary.

Guaranteed period – The annuity is payable for your lifetime or the guaranteed period chosen, whichever is longer. The guaranteed period applies to your annuity only, not to any spouse/civil partner's annuity. If you want your spouse/civil partner to get an income after your death, the maximum guaranteed period you can choose is 10 years.

If you choose a guaranteed period of 5 years or less, your annuity will be with overlap. If more than 5 years, it will be without overlap.

With overlap: your spouse/civil partner's annuity starts on your death.

Without overlap: your spouse/civil partner's annuity starts on your death or the end of the guaranteed period, whichever is later.

Brief description of terms (continued)

Imputed distribution – Revenue require us to regularly deduct tax from your retirement fund. To do this, they make an assumption that you withdraw a minimum amount each year. So, if you don't withdraw enough during the year (from which PAYE taxes are deducted), in December, we'll work out the difference between the Revenue's assumption and your earlier withdrawals, and, having deducted tax, pay this imputed distribution withdrawal to your bank account.

Nominee Qualifying Fund Manager – The manager you appoint to administer the tax deductions from all your ARFs and Vested PRSAs. You must nominate a QFM where the value of all your ARFs and Vested PRSAs is more than €2m.

Redundancy package – If you got a redundancy payment greater than the statutory minimum, the amount above certain limits may be subject to tax deductions. The calculation of the amount that can be paid tax-free under the 'Increased Exemption' and 'Standard Capital Superannuation Benefit' may have been reduced by your expected tax free lump sum from your pension from that employment. To increase the tax-free exemption at the time of redundancy, you may have irrevocably waived your right to a tax free lump sum from your pension. If you did this, we cannot pay any of your pension policy as a tax-free lump sum.

If you didn't get a redundancy payment in respect of this employment, you should answer 'No' to the redundancy question in Part 3.

Salary – To qualify for a year's service in the company, you must have earned a salary that was assessable to tax under PAYE (Schedule E). To determine your benefits at retirement and to satisfy Revenue limit checks, we may require proof of your salary (compulsory for 20% directors) from you in one of the following formats:

- (a) End of year statement P21 (or, for 2018 and earlier: P60)
- (b) P35
- (c) Letter from the company accountant (or receiver/liquidator) confirming your name, salary year end date, the salary amounts and the employer's details
- (d) Payslip from your final year (we'll annualise your basic pay earned). The payslip must show your name, your employer's name and must be from your last 12 months of employment with the company. If you're a 20% director, a payslip can't be used as proof of your salary.
- (e) Letter from Revenue (or Dept of Social Protection) confirming your name, your employer, your salary year end date and salary amounts

Documents must clearly show your name, your employer's name and currency of your salary. We're also required to check the salary quoted was taxed under PAYE (Schedule E).

You should make allowance (2 or 3 weeks) for any requests to your local Revenue or Dept of Social Protection office. If none of (a) to (e) are available, and the Revenue and Dept of Social Protection are unable to confirm salary amounts to you, ask them to confirm this in writing. Only then are we allowed to consider alternatives.

Self-Directed Options – You can invest in a deposit account, or execution-only stockbroking.

If you choose to invest in a Self-Directed Option, your investment will initially be placed in the policy's cash account. You must have enough money in this account to allow us to carry out your instructions and to pay the charges related to the Self-Directed Options that you have selected.

Taxed cash – After taking your cash lump sum, you can take the balance of your pension fund as a taxable cash lump sum. Taxable cash lump sums are treated as income and taxed under the PAYE system.

Vested PRSA – A PRSA where you have taken a cash lump sum and/or income.
